Supplier Partnerships Worldwide

We source the highest quality products at the most competitive prices, supported by strong, long-term relationships with both clients and suppliers.

We pride ourselves on on-time delivery, every time. From order placement to final delivery at your premises, our experienced and friendly team ensures your business is in safe hands.

"At Exportize Ltd, we build long-term relationships through dedicated people and quality tyres. Our company is one team, one network – dedicated to exceeding our customers' expectations every time they call."

- Trevor Woodcock, MD.

What makes us different?

We see our customers as long-term business partners, not transactions. Exportize works with like-minded companies committed to service excellence and sustainable growth.

We believe success comes from:

- Exceeding expectations
- Adding value at every stage
- Taking full accountability
- Never making excuses

RIMS

Exportize supplies Rims from budget to replica ranges, suitable for:

- Passenger cars
- Light trucks
- SUVs
- 4x4 vehicles

- **Rims sizes:** 10" to 32"
- **Certifications:** SFI (USA), TÜV (Germany), JWL/VIA (Japan)
- **Quality control includes:** X-ray testing, fatigue testing, impact testing.

FAST DELIVERY

Exportize is highly experienced in managing:

- Full Container Loads (FCL)
- Less Than Container Loads (LCL)

With customs links to major ports and the ability to ship to and from over 100 ports worldwide, we deliver efficient logistics solutions with competitive freight pricing.
